

## Condition and Deception: Demons are Aliens

### I. CONTEXT: PERSONAL ACTION!

Some of you know that I am in circles that are directly involved in this whole subject of the PARANORMAL. The majority of these are lost without hope in the maze of the great end times Deception that will ultimately spell the end of the world and cosmos as we know it.

Sin must have its dark day! There is no way to avoid it, delay it, or stop it! Daniel tells us this in 11:36. Speaking of the Anti-Christ he writes...

*“Then the king will do as he pleases, and he will exalt and magnify himself above every god and will speak monstrous things against the God of gods; and **he will prosper until the indignation is finished, for that which is decreed will be done.**”*

One thing we can do however is be a part of helping to save individuals out of it. This is done only by long patience and sincere love of Christ that overflows from us. In the process, we are bound to get our feet dirty – very dirty! But His Love wins big in the end!

Everything in us will seek to rationalize what we see before us.

“It can’t be happening!”

“This is impossible!”

“There has to be a logical explanation!”

These are the kind of 3-dimensional statements we will make to ourselves when we see these things coming on the earth.

*“Men’s hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.” (Lk. 21:26)*

We must remember that these things coming on the earth are not just physical, but PARAPHYSICAL. Does that mean they are not real like in a dream? Oh, my no! They are more real than anything this 3-dimensional reality has ever revealed.

*“While we look not at the things which are seen, but at the things which are not seen; for the things which are seen are temporal, but the things which are not seen are eternal.” (2 Co. 4:18)*

The “seen” (the 3-dimensional) is Temporary! Limited! Meaningless!

But the “unseen” (the extradimensional) is Eternal! Infinite! Full of Meaning!

Let's not forget this one principle when dealing with the Enemy. He and his forces though fallen are of an unseen substance and nature that is extradimensional, angelic, and immortal. They are mighty! Because they exist in this cloak of invisibility, that makes him and his angels seem omnipotent, seem omniscient, seem omnipresent to us.

But we are more than conquerors (supernikes) through Jesus Christ our Lord! (Rom 8:7) And we overcame him by the Blood of the Lamb! (Rev 12:11) So if "a tribe's greatness is figured on how mighty its enemies be," (as Del Gue said to Jeremiah Johnson). Then we can shout for Joy in the knowledge that the greatest foe in all Ouranos (Heaven) and Cosmos (time and space) hates our guts because of we love Jesus Christ, and because he and his angels are doomed beings for all eternity!

We shall actually ponder over him one future day and say of the enemy,

*"Is this the man who made the earth tremble, who shook kingdoms, who made the world like a wilderness and overthrew its cities, who did not allow his prisoners to go home?" (Is. 14:16-17).*

## II. THE PARAPHYSICAL UMBRELLA

I like to use the term PARAPHYSICAL better than paranormal because it reminds us there is a physical layer to the phenomenon. It is not just the stuff dreams are made of, but then again...

Paranormal = "of or pertaining to the claimed occurrence of an EVENT or PERCEPTION without scientific explanation, as psychokinesis, extrasensory perception, or other purportedly supernatural phenomena." I would add to the dictionary definition – and paraphysical events such as UFO, monster, ghost, and angel sightings.

My premise for this talk is this:

The paraphysical is the Venus Fly Trap for the Soul. The paraphysical is the Carrot and Stick to bait and catch more Mediums. While the paraphysical promises power, wisdom, and even godhood; it is in reality the doorway to blatant Demonology, and to ultimate doom and demise.

To sum up: This premise says that anytime the enemy... (By the way to be precise who is the enemy? He is shown in *Eph. 6:12* – "*For we wrestle not against flesh and blood [man, woman, boy or girl in 3-dimensional time and space], but against powers, against the rulers of the darkness of this world, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places [Gr. Epouranios – the extradimensional middle place between ouranos and cosmos].")*

Picking up where we left off... this premise states that anytime the enemy moves into our time and space by thought, word, or action whether through a human person or animal, through a temporary manifestation of matter (i.e., an alien etc.), or through their own person, we call this moving into the 3-dimensional by the enemy PARAPHYSICAL.

The Old Text prohibition against the paraphysical still stands in effect:

*“There shall not be found among you anyone who makes his son or his daughter pass through the fire, one who uses divination, one who practices witchcraft, or one who interprets omens, or a sorcerer, or one who casts a spell, or a medium, or a spiritists, or one who calls up the dead. For whoever does these things is detestable to the Lord; and because of these detestable things the Lord your God will drive them out before you.” (Deut. 18:10-12)*

“Updated” parapsychical powers such as ESP, channeling and remote viewing are not latent human forces, powers or perceptions, but are the very active forces of the humanoids (i.e., the demons). We could use the phrase “networked power” when describing this process.

Here is the process: If the humanoids notice that you noticed them, they then may try to entice you to open the door to them. Should you open this door, the next level and the purpose for contact with you is to become a Medium, a channel, a conduit, a host, a network for THEIR power, NOT yours. All the Medium does is open the door of mind. The rest is under the control of the humanoids.

There are various degrees of a medium, but the goal of the humanoids is the PERFECTLY POSSESSED medium. This term perfectly possessed comes from the world of the professional exorcists, who say that there are those who are so at one and so at peace with the demon that they cannot be delivered. I point this out because it seems reasonable to me that the ultimate and final perfectly possessed medium is the Antichrist. Because even the enemy doesn’t know the hour or day of Christ’s Return, through history they have always maintained a pool of candidates for Antichrist ready at the wings to enter the world on center stage. Thoughts like these shed more light on the spiritual condition of historical leaders such as Adolph Hitler. If he was a part of the pool of antichrist candidates, he must have been a perfectly possessed individual to be a candidate. It seems clear to me that Hitler was indeed a test run for this ultimate evil office.

Illustration: You might be home one evening and be compelled to walk alone into your backyard. You look over your garden not too far distant and a silver disk hovers silently with lights spinning round. Then in a blink of an eye, before you comprehend what is really occurring, the object vanishes without trace. Impossible! What was it? Was it physical? Was it supernatural? The event propels you to research. You comb the Internet, library and bookstores for answers. After an exhausting search of many hours and days, you have a pile of books, videos and articles of everything from Nostradamus, Bible, occult to weather maps. The unexpected has placed you upon a path not of your choosing. You are now a possible candidate for something far stranger, far darker, and far more sinister than you ever thought possible...

The event I described above really happened. My mother was the witness of the UFO event that took place around 1947. There was no Internet back then of course, and my mother assumed it was military. Today, she describes the event as Unexplained. She’d never heard of the term flying saucer, though the front pages of many newspapers in that year used the term when they quoted businessman and pilot Ken Arnold who witnessed nine silver disks skipping over Mt. Rainier like “flying saucers”. She was just one of hundreds of witnesses who observed silver disks in 1947. These sightings remain unsolved to this day. This was the beginning of the modern UFO era, before the word UNIDENTIFIED

FLYING OBJECT was invented. The same year in 1947 on November 29 the General Assembly of the United Nations voted to make Israel a state. Coincidence?

My mother witnessed the silver disk, but I was the one who many years later would do the extensive research.

At this point I will make a big statement about Ufology (the study of UFOs). Ufology can be viewed as the umbrella over ALL paraphysical events. Why do I say this? There is an observed reason, and there are two biblical reasons.

First, UFOs are a widespread global phenomena experienced by everyday people, not just cultists. My mother was not involved in any cult or cultish activity. She was and is a bible-believing committed Christian. Though UFO's can and are experienced as a result of paraphysical activity by individuals, sighting UFO's are definitely not exclusive to cults and their activities. In fact, the far more convincing cases are by those witnesses who had no previous interest in the subject. We might say that UFO's cast a wide net of paraphysical activity to perhaps hook even more people into their network.

Second, the key to understanding the umbrella is to observe the common paraphysical effects that occur across categories whether we are talking ghosts, angels, demons, monsters or UFO's. This is very well documented especially in Ufology. We find all the paraphysical effects are there. The effects include akinesia (inability to move in the presence of beings and objects), poltergeists, conjunctivitis (redness and swelling of eyes), telephone anomalies, electrical disturbances, telepathy, esp, bedroom visitants, irrational fears, dreams and the list goes on.

We can summarize like this: ghosts, monsters, angels, demons or UFO's are the SAME PHENOMENA BUT A DIFFERENT FRAME OF REFERENCE. The PSYCHIC link runs all the way through the whole gamut of paraphysical experiences. If you think about it, this common psychic experience is very strong evidence that what we are dealing with is a phenomenon that has the very deceptive qualities and abilities to SHAPESHIFT.

### III. PROPHEPIC SIGNIFICANCE: CONDITION AND DECEPTION

This brings me to the biblical reasons. Let's read the following passage carefully.

*"No wonder, for even Satan disguises himself as an angel of light. Therefore it is not surprising if his servants also disguise themselves as servants of righteousness, whose end will be according to their deeds." (2 Co. 11:14-15).*

*"Then I saw an angel coming down from heaven, holding the key of the abyss and a great chain in his hand. And he laid hold of the DRAGON, the SERPENT of old, who is the DEVIL and SATAN, and bound him for a thousand years." (Rev. 20:1-2)*

Here we have a few examples of the enemy's disguises: angel of light, serpent in the Garden of Eden, and the dragon in the end time. Devil means accuser, while Satan means adversary. These scriptures show the reality of the enemy to materialize into different forms depending on the situation.

There is even a hint of UFO's when Paul talks about Satan shapeshifting into an angel OF LIGHT. It doesn't specify what kind of light. But when we look at the parapsychical events themselves the most common physical description by witnesses are THE LIGHTS. We have to remember too, that UFO's don't just go back to 1947 in this country, but the historical record of them goes back to the very beginning. There are rumors, stories, and myths of lights in the sky by virtually every culture in the world. The difference between the ancient past and starting in 1947 is that in the modern era we begin to see the interpretation that the pilots of the crafts are extraterrestrials.

This brings me to the second biblical reason. The year 1947 the same year that began the modern UFO era, Israel is voted into a state, and on May 14, 1948 Israel officially becomes a state. For me, I don't believe in coincidences especially from the prophetic point of view.

We know that Israel is the SUPERSIGN of prophecy.

*"Now learn the parable from the fig tree: when its branch has already become tender and puts forth its leaves, you know that summer is near; so you too, when you see all these things, recognize that He is near, right at the door. Truly I say to you, this generation will not pass away until all these things take place." (Mat. 24:32-34)*

We don't have time to develop this right now, but the fig tree is a symbol of Israel in the Old Testament. Do the study yourself and look up the link between Israel and fig tree. It is a symbol of God's provision and prosperity for Israel.

*"So Judah and Israel lived in safety, every man under his vine and his fig tree." (1 Kg. 4:25).*

If Israel is the supersign, and I know that from my study of scripture. What does Satan know about prophecy? We can assume he has looked at prophecy from every possible angle through the millennia, and his goal has always been since Gen 3:15 to thwart God's prophecies.

Now let's look at another aspect of prophecy.

2 Thes. is the key chapter concerning AntiChrist. Jump to verse 9-11.

*"Even him, whose coming is after the working of Satan with all power and signs and lying wonders, and with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie."*

The key to this time when antichrist rules is the "lie". It will be so deceptive that Matthew tell us *"if it were possible, they shall deceive the very elect."* (Mat. 24:24).

My conclusion is this: Satan and his angels have the ability to shapeshift into temporary disguises. If the enemy is perpetrating aliens on a global scale, then the timing of the interpretation that UFO's are extraterrestrial at the same general time of the rebirth of Israel is too big a coincidence for me as I read prophecy. The alien motif is a plausible explanation for the *"all power and signs and lying*

*wonders*" (2 Thes. 2:9) of the antichrist. For the same reason Satan appeared as a Serpent to Eve, the open demonic contact in the end of days will have a deceptive explanation of who they are and where they come from.

You see, it does not matter whether you believe in UFOs and Aliens or not. It does not matter whether you believe in Monsters and Ghosts or not. It does not matter whether you believe in Angels and Demons or not. If they come. When they come. Your mind will build a bridge to them to understand them to comprehend them in order to keep your world from fragmenting and losing your mind. I propose that They have already built a bridge for us to comprehend them. They have adjusted to the science and psychology of our times. They have used the mind as the hypnotist uses the mind of his subject in order to control the subject. They have pulled off the ultimate PSYOPS. They have used condition and deception to fulfill their goal to program the human race for their own ends. The gods of old are among us again, but this time they are here for keeps!
